

CFCC Covid-19 Policy

My signature verifies that I have read and understand the information regarding Covenant Family Child Care's policies for COVID-19.

The health and well-being of our families and staff are our highest priorities. In the interest of limiting the opportunity for transmission to our vulnerable community, we are taking the following precautionary measures in addition to our existing parent policy until further notice:

- 1) Drop-off and Pick-ups should be limited to 5 minutes in the classroom. *If you have more information than can be conveyed in that time please communicate it via call, email, or brightwheel.*
- 2) Children's temperatures will be taken upon arrival.
- 3) We encourage parents to wear masks.
- 4) We will continue to clean and disinfect surfaces (upon opening, throughout the day and before we close), have hand sanitizer available for parents and employees, and continue with multiple hand washing times for the children throughout the day.
- 5) We no longer allow outside visitors.
- 6) CFCC will follow all Health Department and DCS recommendations and regulations.

Children must stay home if you answer yes to any of the following questions.

- Has any member of your household been in close contact with a person who received a confirmed case of COVID-19 in the past 5 – 10 days?
- Is your child experiencing a new cough (or) shortness of breath (or) sore throat (or) congestion/runny nose in the past 24 hours?
- Currently or in the past 24 hours, has your child had a fever of 100.4 or above (orally), or 99.4 or above (under arm)?
- In the past 24 hours, has your child complained of muscle or body aches (or) severe headache (or) chills?
- In the past 24 hours has your child experienced any vomiting, diarrhea or abdominal pain?
- In the past 24 hours, has your child experienced loss of taste or smell (or) fatigue?

If your child experiences any of these symptoms while at CFCC, you will be notified and must pick your child up immediately to help avoid risk for spreading illness to others. *Please make sure you have a plan in place for someone to be available for pick up if needed.*

If a student tests positive for COVID-19:

- MUST notify the Director.
- Notification will go out to all families enrolled.
- Facilities may be closed for a specialized cleaning based upon health department recommendations
- Follow any applicable orders of healthcare provider and or health department.
- Symptomatic – Quarantine a minimum of 10 calendar days from the start of symptoms AND 3 days fever-free.
- Asymptomatic – Quarantine 10 calendar days from positive test date AND remain asymptomatic.
- Documentation from medical provider needed upon return.

If someone at home tests positive for COVID-19:

- MUST notify the Director.
- Notification will go out to all families enrolled.
- Facilities may be closed for a specialized cleaning based upon health department recommendations
- Follow any applicable orders of healthcare provider and or health department.
- Quarantine a minimum of 14 calendar days from **positive test date of close contact** and monitor symptoms from home.

SYMPTOMATIC	ASYMPTOMATIC
Person is experiencing symptoms such as fever, cough, shortness of breath, fatigue, body aches, headache, loss of taste or smell, sore throat, congestion, nausea, vomiting, or diarrhea.	Person is not experiencing any symptoms.

Failure to follow the updated policy requirements may result in disenrollment from our program.
